About Us

Esentee is the well known name in the industry for providing quality assured products to the customers. We have started our journey in the year **2001** as a **Sole Proprietorship** based company at **Bengaluru**. Our company has been **manufacturing, trading, importing and supplying** a huge spectrum of superior quality products that comprises **Anti Static Coveralls, Car Body**

Protectors, Anti Static Products, Protective Coveralls, Safety Hand Gloves, Protective Hand Gloves, Cleanroom Disposables, Cleaning Cloth, Lab Coats & many more. Our entire range of product is known for its premium quality, fine finishing, availability is customized sizes, long service life and many more attributes. All these products are fabricated and tested thoroughly according to the well defined quality standards and parameters. We procure quality assured material from trustworthy vendors of the industry.

Also, we discuss every single aspect with the customers before manufacturing the product range in order to deliver them what they actually want from us. Our dedicated team of professionals communicates with the customers and understands their needs and demands. We also take their feedback and suggestions time to time and then make changes according to the desires of the customers in our policies and products. This will helps us in attaining complete customer satisfaction and maintaining a healthy relationship with them. Our company has achieved a phenomenal growth and all target goals in very short span of time by catering to the diversified needs of our valuable customers on a regular basis.

In addition, today we are standing on the top position of the industry and this is possible under the guidance of our highly experienced **Proprietor, Mr. N Nandakumaar**. His priceless contribution helps us to achieve all set goals with ease and perfection. His strategies and business knowledge make us strong player in this competitive industry.
